The Dancers -- Teo & Marsha Bartek

Teo and Marsha Bartek have immersed themselves in Argentine tango since 1998. They have studied and performed tango in Buenos Aires, Paris, & New York. This couple has a special aptitude for communicating the feeling and heart and soul of this dance to others who wish to learn. They are traveling from Gainesville, Florida to be with us for this event.

The Musicians -- Tango Sur

Tango Sur is fast becoming one of Tallahassee's hottest musical acts. These talented musicians are led by FSU law professor Fernando Tesón, a native of Buenos Aires, who plays the bandoneón and also does the musical arrangements. The ensemble includes violin, double bass, guitar, and piano, as well as the traditional bandoneón, an accordion-like instrument.
